1. Mr. [REDACTED] 1D1617, HOS.		When considering which of your records may be destroyed rather than retired to the Records Center, you may find the attached checklist on Historical Documents helpful. Although types of documents mentioned on the checklist are exempted from records purges, please note that documents kept in the DTR's Office for record purposes and eventual retirement (Weekly Activity Reports, for example) do not have to be kept by the originating offices beyond the time that they are frequently referred to. Systematic destruction of all "non-record" material is encouraged.
